Learn how to make this bridge card with Stampin' Up!'s Butterfly Brilliance stamp set and Brilliant Wings Dies in this video tutorial! January 23, 2025 by Lisa Bowden 2 Comments I made another fun fold Bridge Card today! It's slightly different than yesterday's layout, however, because this time it's a "double" bridge. It has TWO strips across the front, instead of just one. It's a super neat fold, and again, totally "do-able,". Learn how to make this Beautiful 3D Butterfly Card using Stampin' Up's Beautiful Butterfly Stamp/Dies/ and 3D Embossing Folder. This card is just an added WOW to the already amazing Bridge card / Double Bridge card. The butterflies seem to be floating mid air but are really hanging by a strip of Window Sheets # We will be making the Highland Heather video. A Single Pole or "Butterfly" sign bridge structure consists of a single vertical steel pipe for the support with horizontal members centered about the column supporting signage. These structures may have two dimensional or three dimensional horizontal members or frames supporting signage on both. How to make a Butterfly Brilliance Bridge Card!
